List pet name(s) and brief description:

Please add \$50.00 for any extra pet or full body. If you had two pets with full bodies it will be an additional \$150. There may be an extra charge for a complicated background, but I will discuss that with you. These are standard sizes and frames are available. If you need something other than these sizes, very special or unique, I will be happy to oblige you.

This includes shipping and insurance fees. Thank you for allowing me to work for you.
